

Self-employment Income Support Scheme

This is for the self-employed or a member of a partnership and have lost income due to coronavirus.

This scheme will allow you to claim a taxable grant worth 80% of your trading profits up to a maximum of £2,500 per month for the next 3 months initially.

You can apply if you're a self-employed individual or a member of a partnership and you:

- have submitted your Income Tax Self Assessment tax return for the tax year 2018-19
- traded in the tax year 2019-20
- are trading when you apply, or would be except for COVID-19
- intend to continue to trade in the tax year 2020-21
- have lost trading/partnership trading profits due to COVID-19

Your self-employed trading profits must also be less than £50,000 and more than half of your income come from self-employment. This is determined by at least one of the following conditions being true:

- having trading profits/partnership trading profits in 2018-19 of less than £50,000 and these profits constitute more than half of your total taxable income
- having average trading profits in 2016-17, 2017-18, and 2018-19 of less than £50,000 and these profits constitute more than half of your average taxable income in the same period

If you started trading between 2016-19, HMRC will only use those years for which you filed a Self-Assessment tax return

If you have not filed a 2018/19 Tax Return you have until 23 April to do so.

How much you'll get?

You'll get a taxable grant which will be 80% of the average profits from the tax years (where applicable):

- 2016 to 2017
- 2017 to 2018
- 2018 to 2019

To work out the average HMRC will add together the total trading profit for the 3 tax years (where applicable) then divide by 3 (where applicable), and use this to calculate a monthly amount.

It will be up to a maximum of £2,500 per month for 3 months.

HMRC will pay the grant directly into your bank account, in one instalment.

How to apply?

You cannot apply for this scheme yet.

HMRC will contact you if you are eligible for the scheme and invite you to apply online. Individuals do not need to contact HMRC now and doing so will only delay the urgent work being undertaken to introduce the scheme.

You will access this scheme only through [GOV.UK](https://www.gov.uk). *If someone texts, calls or emails claiming to be from HMRC, saying that you can claim financial help or are owed a tax refund, and asks you to click on a link or to give information such as your name, credit card or bank details, it is a scam.*

If you don't already have a Government Gateway ID and password apply for one now.

After you've applied

Once HMRC has received your claim and you are eligible for the grant, we will contact you to tell you how much you will get and the payment details.

If you claim tax credits you'll need to include the grant in your claim as income.
